

The Rural Municipality of McKillop No. 220 is accepting applications for the position of permanent **Part-Time Water and Wastewater Operator**.

This position is responsible for the daily (Sunday thru Saturday) operation and maintenance of water and wastewater works.

Duties may include but are not limited to:

- Perform daily operation and maintenance of the Water Treatment Plant
- Conduct treatment processes along with detailed sampling, monitoring and analysis of water in compliance with the Saskatchewan Water Security Agency regulations
- Submit all required reports in accordance with regulations and acts
- Ensure that all water and wastewater collection, treatment and distribution comply with the Permits to Operate and Drinking Water Quality Management guidelines
- Analyze test results and instrument readings
- Complete and maintain Water Treatment Plant and Lagoon reports and logs
- Take samples to Provincial Lab for testing
- Monitor and inspect water plant equipment and systems to detect possible equipment malfunctions and to ensure plant systems are operating normally
- Make adjustments to optimize the water and wastewater treatment process
- Monitor Lagoons levels, inspect facility and take and submit samples in compliance with Permit to Operate.

Preference will be given to applicants that possess the following:

- Class 2 Water Distribution and Treatment Certification or willingness to obtain certification.
- Class 1 Wastewater Treatment and Collection Certification
- Class 5 Drivers Licence

In the absence of Certification, the ability to attain Certification is a requirement.

Salary range for this position is based on experience and qualifications. A comprehensive benefit and pension package are provided.

Applicants are invited to submit a resume including a driver's abstract, any job-related courses or certificates, salary expectations and a minimum of two references by **April 30th, 2023** to:
