Subject: APAS UPDATE FOR SEPTEMBER 30 – NPF webinar, RM Council video, regional updates, grain contracts survey

Good morning APAS members – visit <https://www.youtube.com/watch?v=odcAv-9mqI8> to watch this week's APAS Update video.

1. Next Policy Framework (NPF) webinar on October 5: APAS has created a new NPF Task Force to provide feedback into the federal government's consultation process to create the Next Policy Framework (NPF). Next week APAS is hosting a webinar with Scott Ross (Assistant Executive Director at the Canadian Federation of Agriculture) and he'll provide an overview of the key policy issues, plus CFA's NPF activities. The webinar will be at 9:00am on Tuesday, October 5 – you can register at <https://bit.ly/3oihnik>.

2. Special APAS update video for RM Councils: We recently sent out a special 5-minute APAS update video to the Administrators at all our member RMs for their Councillors to watch during their upcoming meetings in October. Visit <https://bit.ly/2YaikyA> to watch that longer update video.

3. APAS updates for regional municipal meetings: On September APAS gave an update presentation to RM/town/village Councillors at the West Central Municipal Government Committee in Denzil, and on September 28 we gave an update to the Southwest Municipal Government Committee in Swift Current. Let me know if you've got a regional municipal meeting coming up and we can provide an APAS update for your group.

4. APAS grain contracts survey: APAS recently created a survey to gather feedback from producers about their experiences with grain contracts this year. Visit www.surveymonkey.com/r/6W6ZJ7G to complete the survey.

5. APAS updates for RM Council meetings: Let me know if you need APAS update materials for an upcoming RM Council meeting, or if you'd like APAS staff or Directors to come discuss our projects and advocacy work.

You'll get the next APAS Update on October 7 – just call or email if you have any questions in the meantime.
