Subject: OUR WINTER SURVEY & A SPRING DEADLINE

Yesterday we sent a review about our Members' Fair a decade ago, along with an invitation for your cottage community to be involved in our 2022 Members' Fair.

CORRECTION - In the 2012 interview with the administrator of the RV of Coteau Beach, there was mention of plans to erect porta potties at the beach. PARCS has been informed that those were never installed.

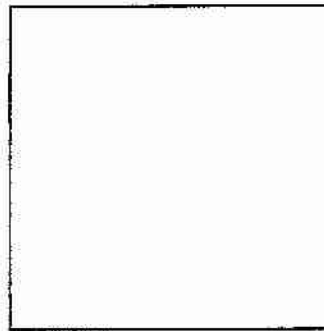

INVITATION - PARCS hopes that our first live convention since Covid will provide an opportunity for NETWORKING. To that end, we are planning a Members Fair aimed at providing updates about the new endeavors and challenges in our lakeshore communities. Please plan to take part.
