

Executive Meeting

July 8th, 2:00 pm
Yvonne's house

Martin Isaac, Brent Shelest and Yvonne Laycock in attendance

Meeting called to order at 2:00 pm

Review of minutes of AGM to determine which items need attention:

- *Gravel for garbage cans- Yvonne to call R.M about how that can happen
- *Boat launch group -Martin to ask Ryan if he and Kurtis will continue with the project
- *Drainage assessment- Yvonne to send an email to residents looking for volunteers to help Nadine with this project
- *Discussed whether the R.M has a "no buy list"
- *Yvonne to print notice for inside porta potty, asking to help keep it clean
- *Mats for in front of porta-potty- Martin to let Jerry know that at this time we don't know if the R.M will reimburse, so for now, not to buy them.
- *Discussed the issue of dogs on leashes, whether the R.M bylaw when it comes will be enough? This should be discussed at the Fall meeting, Yvonne to begin a draft of an email in case it becomes necessary before then. Focus to be on weekends/keeping a closer eye on them when there are a lot of dogs and people out. Long weekends especially, when everyone has company, but every weekend has that potential

Fall Meeting Agenda:

- *Boat launch
- *Another Boat Dock
- *New life preserver and ropes- possibly a box to protect it
- *Use at your own risk sign?
- *Dogs on leashes while on Hamlet roads. Off leash in the field or on gravel out to highway
- *Date to be set in August, for a September Meeting

Meeting Adjourned at 3:15pm
