

# Fall Meeting, Sept 13th, 2014

September 12, 2014 10:11 PM

## Attendance:

Don Hnetka	Ron Labatt	Coleen Labatt	Wayne
Hoeft			
Bob Rainbow	Iris Lang	Thomas Kenworthy	Martin
Isaac			
Kirk Brossart	Nadine Brossart	Ross Renton	Yvonne
Laycock			
Jerry Labatt	Les Brown		

- Call to order at 10:35 am
- No Reading of the minutes or the financial report, this is done in the spring at the AGM. Bob did discuss the budget for next year, explaining the wish list- as a 5 year plan. Bob will have the budget ready to send to the R.M. by Mid October.
- Grading and Gravel- will be completed, hopefully this week.
- Dutch Elm- Chris has not heard back from Garry Dixon about the money and assistance we were hoping to receive from the R.M. Wayne and Brent have plans to take out two of the large trees at the beach, and we will need the stumps removed in order to replace those trees with larger ones.
- Speed Bumps- We have not heard back from the R.M. About their new bylaw yet. Yvonne will call the R.M. for an update.
- Recycling- We are definitely on the list for a bin when they are ready, it seems to be stalled at the R.M. right now. Yvonne's plan is to get every house a laminated poster listing the items to be recycled to help with the transition when the bin does arrive.

be sent to the R.M. At that point, there will be a public meeting to discuss it, and have our say about any issues or problems it may create for us. This will be advertised in the Last Mountain Times and also in the Waterfront Press. Yvonne will watch for the notice of the meeting (30 days notice) and will send everyone an e-mail to let everyone know about it as well. It seems doubtful that it will be approved until the lagoon is up and running.

- At the development meeting in August, we discussed which land at the beach belongs to Mohr's Beach, and which belongs to Kyle. There is a map of our land at the beach, showing where the pins are located. If anyone wants to see it, ask Yvonne or Chris.
- Snow clearing for residences will be available again this year. The seasonal fee is \$75. Please see Yvonne or Chris for the forms. The fee will be collected with the maintenance fees in the spring.
- Wayne requested someone contact the Department of Highways to ask if the Kids Camp sign on highway 322 be altered in some way to avoid the people looking for Glen Harbour arriving here. Yvonne agreed to contact them, and to ask about the fridge in the ditch, and the big dip as you turn onto Highway 322 from our gravel road.
- Martin Isaac made a motion to adjourn, seconded by Thomas Kenworthy  
Meeting adjourned at 11:40
