## Old Business:

Fire works being set off please be extremely careful when setting off fireworks in the Hamlet. Effective Sept 01, 2010 the Fire Callout Fee will be increasing to \$3000.00. Everyone please keep an eye out.

An invitation was sent to the R.M. of McKillop No. 220 for someone to attend the supper and meeting but no one attended. As per Lloyd requesting this last year.

Thanks to everyone whom made the new Uhl's Bay sign and moved it and put it up. We would like to thank Valorie Watson, Dale and Devon Matties, Derek Spitzer, Larry Wagner, Ross Wagner, Beaver and Val's dad (Louis Larson) for cutting the wood letters and myself David Katchan.

Dust Control----David Katchan received a letter from the R. M. of McKillop No. 220. The R M quoted 6 different area's for us to pick from. 1 ½ coats will do 1 Km. and the R. M. will do all the work we just pay.

Speed limit signs were put up and people aren't even obeying them.

Thanks to the Department of Highways for putting up the Uhl's Bay sign.

Ceiling inside the Garage should we do estimates or worry about next year. Larry Wagner motioned to leave it alone until it falls down. Seconded by Norm Matties Carried

## New Business:

Ray Sprungala wondered if we could get a Traffic Control line to determine which road has the most traffic on it.

We want pavement not the Lignosuphonate, Calcium Chloride or DL - 10. The R. M. will pay ½

for the road or roads.

What about reclaim Asphalt.

Larry Wagner motioned for us to price out pavement or asphalt. He wants us to price out in the next 60 days. Seconded by no one

What about equipment and manpower. David Katchan to check it out. The R. M. has a packer and a grader.

Than we can vote and decide than.

Larry Wagner said if this does not fly we go to the next option Seconded by Larry Carried.

Can we put up a sign (Weight or tonnage) So the big trucks can't travel the road on Uhl's Street.

Larry Wagner demanded that we pave the road. He wants prices and something done in the next 4 weeks.

Derek Spitzer said we don't have enough money in the bank for pavement.

Larry kept demanding for something done now.

Valorie Watson told Larry that in the 4 week deadline we may or may not have price quotes done and that nothing would be done this year it would have to wait until next spring. Valorie asked Larry if he understood that nothing would be done this year. Larry said yes.

Ray Sprungala tried numerous times to say he put done something on his road and paid \$400.00 of his own money which only lasted a few weeks until the grader went down the road. Only a few people heard him than he left.

Nominations for the Secretary are up this year.

Cyril Hanson nominated Valorie Watson

Pete Beauparlant Seconded

Valorie Watson accepts Carried

Elsie motion for adjournment of meeting.
