

## A BYLAW TO PROVIDE FOR A BASE TAX

**WHEREAS** section 290 of *The Municipalities Act* allows that a Council may by bylaw set base tax amounts that are applicable to a class of property in addition to a levy on the property; and

**WHEREAS** section 41 of *The Municipalities Regulations* establishes the classes of property to which minimum tax may be applied;

**NOW THEREFORE** the Council of the Rural Municipality of McKillop No. 220 in the Province of Saskatchewan enacts as follows:

### 1. Definitions

1.1. In this bylaw:

- (a) "RM" means the Rural Municipality of McKillop No. 220; and
- (b) "SAMA" means the Saskatchewan Assessment Management Agency.

### 2. Base Tax

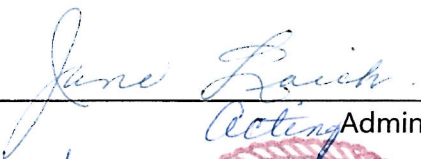

- 2.1. Base tax shall be applied to the levies calculated for municipal tax purposes for all taxable improvements in the Residential property class at the rate of \$ 850.00 per parcel.
- 2.2. Where a property is classified within more than one property classification by SAMA, the base tax calculation shall be the higher of the applicable classes.

### 3. Effective Date of Bylaw

- 3.1. This bylaw shall come into force and take effect on the date of final approval by the RM Council.
